

## **2020-21 Basketball Guidelines --- Highland Park ISD**

To protect the health of our students, staff, and fans we want to share the expectations for Highland Park HS/MS basketball games.

- Spectators will be limited to the immediate family of the athletes participating in the games (parents and siblings)
- Face coverings must be worn at all times inside our facilities
- There will be no concessions nor outside food/drink allowed
- All fans must be seated in the bleachers and small children must remain with their parents during the game
- There will be seating reserved for the teams waiting to play or who have already played in effort to separate players and fans. Please have teams sit in these designated areas.

**Ticket Sales:** Will be in person at the gate. Visiting coaches will need to provide a roster for each participating team.

**Ticket Prices:**       Adults \$5.00               Students \$2.00

We appreciate everyone's patience and support as we continue to navigate school activities during this pandemic. If the situation changes over the course of the basketball season, the school district will communicate any change in protocols with fans and parents in a timely manner.
